QUARTER 2 2024

Virtual Health Education (HE) Classes

There is no cost for our virtual health education classes. Classes are open to all BSC Promise members. Members can access these classes by telephone (listen only) or Teams meeting link. **Please direct members to call the Health Education Department at 562-580-6094, 562-580-6109 (for Mandarin and Cantonese), or the Customer Care toll-free number for class call-in information or Teams meeting link. We can help the members connect to the class as needed.**

Asthma – April 2024

Asthma is a common condition among children and adults. If it is not well controlled, it can be life-threatening. This class will provide tools to help manage asthma. Topics include asthma symptoms, triggers, correct use of asthma medicines, creating an asthma action plan, and more.

Caring for Your Mental Health – May 2024

There are many factors that can affect our mental health and wellbeing. They include biological factors, poor physical health, stress, and traumatic life events. It is important to know the signs and symptoms of mental health disorders and learn how we can support and advocate for mental health wellness. Join us as we discuss resources and tools available to help cope with loss, manage stress, and build a healthy support system and resilience.
